Ag for Life to Host 9th Annual Harvest Gala

Celebrating Alberta Agriculture

Calgary, Alta—After a two-year hiatus, Agriculture for Life (Ag for Life) is bringing back the popular Harvest Gala; a special event celebrating Alberta agriculture and the people who produce it.

This year marks the 9th annual Harvest Gala, where over 325 industry and community leaders are invited to experience the scrumptious tastes of locally produced agriculture foods and enjoy the opportunity to network, all while supporting youth education in Alberta.

The event will take place on Friday, October 28 from 5:30 pm to 11 pm at Heritage Park located on 1900 Heritage Dr. SW, Calgary, Alberta. To date, Ag for Life has delivered agriculture education to over half a million individuals in communities across the province. All proceeds from this event will be used to support the delivery of Ag for Life's inclusive programs focused on agricultural education and rural and farm safety.

Ag for Life is encouraging individuals and organizations to join the celebration. By doing so, you are directly supporting agriculture education and the next generation of aggies in our province and across the country.

More information on the Harvest Gala and tickets for the event can be found on Ag for Life's website. Please visit: www.agricultureforlife.ca/harvest-gala.

Ag for Life aims to foster through education, an understanding and appreciation of agriculture and its fundamental connection to life.
